Volxküche

SPEISEN OHNE GRENZEN | BADESCHIFF WIEN | VOLKSHILFE WIEN

Community Kitchen menu
(two-course) as per daily offerings

In collaboration with '**Speisen ohne Grenzen**' (Food without Borders) and '**Volkshilfe Wien**' (People's Aid Vienna), we are opening the '**Volxküche**' (People's Kitchen) during the upcoming winter months. Vouchers for a hot meal will be provided to those in need, not only to ensure they have something warm in their stomach but also to remain socially integrated.

We invite everyone to come together at our communal tables on the cozy main deck of the Badeschiff for a shared meal. Whether you're a single parent at risk of poverty, a working individual, a student, someone in basic need, a civil servant, or self-employed, all are welcome to join.

How can you help?

You have the option to either dine at Badeschiff and pass on a meal to someone in need, or contribute to this important cause through the donation box on-site or by donating to the 'Volkshilfe Wien' account!
